

Audifina Legal Services

About Us

Audifina is one of the largest Lithuanian owned audit, accounting, tax, and legal advisory firms in Lithuania.

We have been operating since 2002, bringing together **100+ professionals** and helping **1000+ companies** from over 20 countries grow with confidence.

We are members of the **MSI Global Alliance** - an international network connecting more than 250 independent legal and accounting firms worldwide.

Legal Services That Help You Move Forward

Audifina legal team is a partner that helps make well-grounded, practical decisions and ensures smooth and confident business operations.

The team is led by Laurynas Totoraitis, who has 15 years of legal experience, gained in leading law firms and international consulting companies.

His expertise spans from Geneva to Vilnius, covering everything from mergers and acquisitions to employment law.

Our Legal Services

Mergers & Acquisitions (M&A)

Legal due diligence, structuring, negotiations, and contract drafting.

Capital Markets

Bond issuance, EU funding, state aid.

Corporate Law & Compliance

Governance structures, shareholder relations, and data protection.

Employment Law & HR Matters

Employment of third-country employees, executive contracts, conflict prevention.

Why Choose Audifina

- **360° Approach** - law, finance, taxes - a comprehensive solution.
- **Speed & Clarity** - timely decisions without unnecessary formalities.
- **International Support** - MSI network with members in over 100 countries.
- **Reliability** - for over 20 years, we have built partnerships based on trust and experience.

When to Talk to Us

- Planning to acquire or sell a business.
- Need to check corporate compliance with legal regulations.
- Planning to attract investors or EU funding.
- Want to ensure smooth employee employment or executive relations.
- Looking for legal solutions that enable seamless operations.

We're Here to Help
