PROVIDING SUPPORT TO ACCOUNTANTS

PBSL provides cost effective Outsourcing Solutions

Services for Accounting Practices

You will always be looking to expand your client base but when a new client wants you to handle their bookkeeping, VAT returns, payroll, monthly management accounts and more it can be difficult to integrate this client into your work flow and not always cost effective. Outsourcing what are essentially routine activities is likely to save you at least one-half of the "in-house" cost of carrying out those activities.

Paperchase Business Services provides outsourcing solutions to accounting practices in UK.

We provide a complete service commencing with the scanning of documents up to the delivery of final accounts with tax returns.

Our services includes:

Book Keeping

VAT Accounting

Payroll

Year End Accounting

Tax Returns

Company Secretarial

Back Office Services

A better use of your time

To outsource low margin compliance work leaves you free to focus on higher profit work such as business advice. Its better for you and better for your clients.

Expand your business but not your costs

Outsourcing allows you to take on more clients without expanding your fixed cost base. This means for example no additional office or staff costs.
